

# STUDENT SERVICES

## **GLS100 GRADE 9, LEARNING STRATEGIES 1 - Open**

This course focuses on learning strategies to help students become better, more independent learners. Students will learn how to develop and apply literacy and numeracy skills, personal management skills, and interpersonal and teamwork skills to improve their learning and achievement in school, the workplace, and the community. The course helps students build confidence and motivation to pursue opportunities for success in secondary school and beyond.

## **GLC200 GRADE 10, CAREER STUDIES - .5 Credit - Open**

This course teaches students how to develop and achieve personal goals for future learning, work, and community involvement. Students will assess their interests, skills, and characteristics and investigate current economic and workplace trends, work opportunities, and ways to search for work. The course explores post-secondary learning and career options, prepares students for managing work and life transitions, and helps students focus on their goals through the development of a career plan.

## **GLD200 GRADE 10, DISCOVERING THE WORKPLACE - Open**

This course provides students with opportunities to discover and develop the workplace Essential Skills and work habits required to be successfully employed, and helps students make plans for continued learning and work. Students will develop an understanding of work through practical hands-on experiences in the school and in the community, using real workplace materials. Students will investigate occupations of interest through experiential learning opportunities, such as worksite visits, job shadowing, work experience, simulations, and entrepreneurial projects..

## **GPP300 GRADE 11, LEADERSHIP AND PEER SUPPORT - Open**

This course prepares students to act in leadership and peer support roles. They will design and implement a plan for contributing to their school and/or community; develop skills in communication, interpersonal relations, teamwork, and conflict management; and apply those skills in leadership and/or peer support roles - for example, as a student council member or a peer tutor. Students will examine group dynamics and learn the value of diversity within groups and communities. *Prerequisite: GLC200*

## **GLS400 GRADE 12, ADVANCED LEARNING STRATEGIES - Open**

This course improves students' learning and personal management skills, preparing them to make successful transitions to work, training, and/or post-secondary education destinations. Students will assess their learning abilities and use literacy, numeracy, and research skills and personal management techniques to maximize their learning. Students will investigate trends and resources to support their post-secondary employment, training, and/or education choices and develop a plan to help them meet their learning and career goals. *Students must be referred to this program by the Head of Special Education. Prerequisite: GLC200*

## **GLN400 GRADE 12, NAVIGATING THE WORKPLACE - Open**

This course provides students with opportunities to develop the workplace essential skills and work habits required for success in all types of workplaces. Students will explore occupations and careers of interest through participation in real workplace experiences. They will make plans for continued learning and work, work with others to design learning experiences, and investigate the resources and support required to make a smooth transition to their post-secondary destination.

## CO-OPERATIVE EDUCATION - EXPERIENCE IT!

Are you a **hands-on learner**? Would you like to get **your foot in the door** to prove yourself to potential employers? Would you like **practical work experience** in a field of work you would like to pursue?

You choose the type of learning experience that you want. You earn **1 elective credit for every 110 hours of work**. You can take Co-op as many times as you want. You can earn all 12 elective credits and up to two compulsory credits in the Group 1, 2, 3 Categories.

Co-op students working in the skilled trades earn elective high school credits as well as being able to **apply the time they spent in Co-op, towards an apprenticeship**.

For more information, see the Co-op Co-ordinator or a counsellor in People Place.
